Dear Sir:

A communication was mailed to Applicant herein because the Examiner contended that the response filed October 17, 2008 was not fully responsive to the prior Office Action because claim 30 was presented both in its original and amended format with underlining of added material and claims 31 and 32 were presented without the underlining which was in the prior amendment. The Examiner has set forth the requirements for deletions for to simply submit a new amendment with only a single claim 30 with underlining for additions and brackets for deletions and claims 31 and 32 with the underlining for additions.

A corrected listing of pending claims following the Examiner's requirement follows.
